Zöe's Place (Midlands)

Zöe's Place Trust run the only baby-specific hospices in the UK, providing 24 hour one-to-one palliative respite and terminal care to infants aged 0-5 years with life-limiting or life-threatening conditions. Our hospices offer short-term regular care in a home-from-home supportive environment; babies can stay from one day to a fortnight period, giving parents and families a much-needed break.

We have two established Zöe's Places – in Liverpool and Middlesbrough, and are currently developing our third hospice in Ash Green, Coventry. The building stage of the new Midlands hospice will begin in March 2008 and once complete, will provide care and support for many special babies from across the Midlands.

Zöe's Lane Appeal

We want to create a beautiful hospice full of fun and enjoyment for our special babies, and we know many of you would like to support this unique development. What better way to leave a lasting reminder of your commitment and generosity towards Zöe's Place than to have your sponsored stone and personalised message placed within the pathway leading to the front entrance of the hospice?
